## **Purchasing Options:**

### **1. Online (TSS® Only)**

- a. You can purchase Total System Solution® (TSS) directly on our website via PayPal by visiting [www.GreenovativeTechnologies.com](http://www.GreenovativeTechnologies.com) and clicking on the “How to Buy” tab located on the left-hand menu. Once on the How to Buy page, click on the desired “Add to Cart” button for the container type you'd like to purchase.
- b. At this time a PayPal window will open, and you will have the option to edit the quantity of cases you'd like to purchase.
- c. Once finished, click the “Proceed to Checkout” button and follow the directions to complete your order.

### **2. Submittal of Purchase Order (TSS® and EcoHancer™)**

- a. If your Facility has a standard “Purchase Order” Form, you can complete that purchase order detailing the following:
  - i. Billing Address
  - ii. Shipping Address
  - iii. Product description
  - iv. Product number (if known)
  - v. Quantity of Cases being ordered
  - vi. Contact information for the Authorized Personnel placing the order
  - vii. Signature of Authorized Personnel
- b. You can then deliver Purchase Order to us via e-mail, fax, or mail.
- c. On the day in Greenovative Technologies receives your purchase, a Representative will contact the purchaser to confirm the order placed.

### **3. Complete a Purchase Order Form (TSS® and EcoHancer™)**

- a. Greenovative Technologies has a standard Order Form available for completion. If your Facility does not have a purchase order of your own, please feel free to contact us by phone: 856-234-4540 or by e-mail: [info@GreenovativeTechnologies.com](mailto:info@GreenovativeTechnologies.com) and we'll be happy to email GT's standard order form to you so you can fill in the blanks, print, sign, and return. You can return to us as you wish – via e-mail, fax, or mail.
- b. On the day in Greenovative Technologies receives your purchase, a Representative will contact the purchaser to confirm the order placed.

### **4. Product will also be available through distribution. (TSS® and EcoHancer™)**

***All orders received will be processed and shipped in approximately 1-2 business days.***
