

# Maintain Your Septic System and Drain Field with

## SEPTIC TANK

### BEFORE

Effluent Septic Tank with damaging heavy solids.

### AFTER

Effluent Septic Tank clarified with EcoHancer, and now safe for the drain field.

## D-BOX

### BEFORE

Distribution Box backed up and had a history of overflowing.

### AFTER

Distribution Box treated directly with EcoHancer, massively improving drainage and exposing outlet piping.

## DRAIN FIELD

### BEFORE

Severe sewage and grease flooding entire field to the extreme.

### AFTER

EcoHancer treatment results in remarkable field recovery.

BEFORE ECOHANCER TREATMENT, ODOR IS A MAJOR CONCERN

10

2

AFTER ECOHANCER TREATMENT, ODOR IS SIGNIFICANTLY REDUCED
